

# WHERE DOES IT GO?

Your common sense will be correct 99% of the time – think what who/what your program *benefits*, it will fall into one of these categories:

➤ **Community Service:**

- Benefits everyone (children, adults, etc.)
- Benefits people in nursing homes *without* 24-hour doctor in service
- Benefits senior citizens
- Benefits organizations such as MDS, Easter Seals, Cancer Society, Special Olympics, Paws With A Cause, Ronald McDonald House, Fisher House, etc.

➤ **Child Welfare:**

- Benefits children *ONLY*
- Benefits children's organizations such as John Tracy Center, etc.

➤ **Americanism:**

- Benefits servicemembers overseas
- Benefits the USO
- Benefits Veterans *ONLY*

➤ **Hospital:**

- Benefits people in hospitals
- Benefits people in nursing homes with a 24-hour doctor in service

➤ **Scholarship:**

- Benefits education for students
